CREDIT CONTROL LTD.

COMPANY

Central Credit Control has been providing effective debt collection services to a broad scope of business and industry sectors across Canada since 1987. We conduct all business activities in a realistic, ethical and fair manner. We are compliant with current laws and regulations and we are licensed under the *Collection Agencies Act*.

We always take a consultative approach when working with our clients to solve their past due accounts receivable and bad debt issues.

It's Your Money

Our full time focus is debt collection, leaving you to do what you do best.

OUR GOAL IS TO INCREASE OUR CLIENT'S PROFITABILITY:

Central Credit's goal is to increase your profitability by obtaining faster payment from your customers. Faster payment will:

- Produce better cash flow
- Decrease admin costs
- Increase cost effectiveness
- Reduce A/R losses

NO-COLLECTION NO CHARGE GUARANTEE

We work strictly on a contingency fee basis. That means we only get paid when you get paid. We do not offer extremely low commission rates that are supplemented by up-front fees or membership costs. We simply partner with our clients in order to produce effective results that increase cash flow and reduce your Accounts Receivable.

WHY WORK WITH CENTRAL CREDIT CONTROL?

- Over 28 years of experience
- Regular client updates
- Prompt and efficient service
- High rate of customer contact and recovery
- *EQUIFAX and TRANSUNION*
